

# THE HARDY PLANT SOCIETY

*Hertfordshire Group*

**Membership Secretary: Tricia Calcraft, 213 Marshalswick Lane, St Albans, AL1 4XA**

**Telephone: 07875 016938/01727 854213**

**Email: tcalcraft@yahoo.com**

## 2021 SUBSCRIPTION RENEWAL

Your renewal notice is below. Your membership runs from 1 January 2021

The committee has decided to waive the Hertfordshire Hardy Plant Society membership fees for 2021 as a recognition of the fact that we've already lost some events for this current year and things will probably be different for the coming year. We are still sending renewal forms out so that we have a current register of our members. You will however still need to renew your national membership of the HPS, as mentioned below.

Because we don't know how events will unfold over the next year, we would be grateful if you could fill in the form below so that we are prepared for when we do return to our usual meetings. Even if you told us in previous years that you'd like to help, please tick all the boxes that apply for 2021, as we reconfirm this information each year. It's also helpful to have ideas for future speakers, outings and events, to help the Committee produce a programme that interests as many members as possible.

NB Please also remember that you need separately to renew your national membership directly with the Hardy Plant Society in Evesham: [www.hardy-plant.org.uk/for-members/renew-membership](http://www.hardy-plant.org.uk/for-members/renew-membership)

**Please complete and return the Renewal Form below, either by email or post to Tricia Calcraft, or by telephone if that's easier.**
